Subject: science project  
Hi Ping,  
My group is staying at a hotel near the science exhibition hall. Bad news! Some test tubes got broken while we were getting off the train. As you know, we need the tubes for the project. We didn't know where to find them in a short time. And the traffic was very busy during rush hour. The hotel staff suggested that we take the BTS train to a store. It was our first time to take the BTS. It's easier and faster than I thought. We got the tubes in less than an hour!  
Wish me luck on the project presentation tomorrow.  
Cheers!  
Kan
